Safety Protocols

- Facemasks required and must properly cover your mouth and nose
- Reduced class sizes to allow for maximum social distancing
- Enforcement of social distancing at all times.
- Seating Chart to ensure students have their own work- space

3/11/2021

Safety Protocols Continued

- Assigned restrooms for each cohort. 1 student signs out at a time.
- Each Cohort is assigned to 1 classroom and 1 wing of the building.
- No shared supplies.
- No shared devices. Students already assigned an Edge Chromebook are expected to bring their Chromebook on Mondays and Tuesdays. Students who have been working from home during distance learning on their own devices will be assigned a device to use at school.

Safety Protocols

- Classroom windows open at all times
- Hepa filters in each classroom to remove contaminants from the air.
- HVAC Fan on to increase air exchange

VERY IMPORTANT...

- Mask wearing and social distancing are mandatory! They are mitigation strategies meant to protect students, their families, and Edge Staff.
- Failure to comply may result in the student losing their seat in Hybrid In Person Learning.

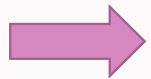

FAQs

Question: What is the attendance policy on hybrid in-person learning days?

Students must be present on campus to be considered present for a class.

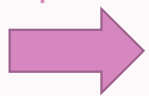

Question: Can a hybrid student move back to 100% distance learning

Yes. Hybrid students can decide they want to return to 100% distance learning. However, students will need to remain in 100% distance learning for the rest of the year.

FAQs

Question: Can students be added to the Hybrid learning option after the start of the 4th quarter?

This last interval for students to be added to the hybrid in-person learning option will be the week of April 5th.

Question: What visitors expect when coming to campus?

All visitors to campus will have their temperature taken and be subject to health screening questions. Masks must be worn on campus.
